3. Registration of Boats.

To obtain a valid measurement certificate apply to:

RYA Technical Department, RYA House, Ensign Way, Hamble, Southampton, Hampshire, SO31 4YA. Telephone Number 0845 345 0383.

1. For new or un-registered boats:

The builder (or owner) should obtain a building fee receipt from the class secretary. Fee £40.00. You will then receive a plaque, a building fee receipt and a sail number receipt from the class secretary. The plaque must be attached to the aft bulkhead of the hull on the starboard side.

The building fee receipt has your sail number on it which must be cut, moulded or burnt into the hog or centreboard case in the cockpit, or bulkhead at station 2 on the centreline, in figures not less than 20mm in height. The national letters GBR should be included.

Obtain a sail number and a measurement form (£5) from the secretary or ISAF website and arrange for the boat to be measured. The form must be completed by a class measurer (see list below). The fee is negotiable - try £50-00

Apply to the RYA for a measurement certificate. Enclose the building fee receipt, the sail number receipt, the completed measurement form.

Fees for non RYA members	£20-00
For full personal RYA members	£15-00
For duplicate certificates	£20-00

2. For the re-registering of second hand boats.

A change of ownership invalidates the measurement certificate. Send the old certificate, the new boat name, your name, address and the fee to the RYA. Fees as above.

3. For re-registering a boat without a certificate.

Proof of ownership is required. (ie. Purchase receipt) then send fee to the RYA as above.

4. For boats that have had correctors identified on the measurement certificate removed after re-weighing this needs to be recorded by a class measurer on the boat's measurement certificate. Corrector weights are recorded on the IOKDBCA website (see Boats Database) so if you have your boat re-weighed and the corrector weights are altered please notify Dave Cooper.

4. CLASS MEASURERS

Measurement charges.

The fee a measurer charges is a matter of negotiation between the measurer and owner. However owners should expect to pay at least £50-00 for a full measurement, and £10-00 for a sail (last updated 2008)

Articles, photos, Open Meeting reports etc. Remember the forum. You will also find this handbook on the website.

6. The Frensham Porringer Travellers' Trophy

The F.P. Travellers' Trophy is awarded annually to the person with the best overall points score from attending GBR open meetings over a calendar year e.g. 2010. Points from all OK Open meetings count. The highest points total wins. Points scored are as follows:

1st place in a meeting scores the total number of entries for that meeting. Second scores total entries minus one, down to last place who scores one point.

Ties will not be broken at the end of the series.

Contact persons for each open meeting identified on the fixture list should E-mail the complete results list for that meeting to Tony Rich (arich@rogerrich.co.uk) for inclusion in the travellers trophy.

Noble Marine – www.noblemarine.co.uk (the more members they insure the larger their donation to class funds)

8. World Championship Qualification - Largs, Scotland 2011.

The committee reserves the right to offer a Worlds place to any British member who comes in the top 3 overall at the 2010 Nationals or previous year's Worlds, irrespective of whether they have done the 2010 qualifying series.

The committee reserves the right to offer a Worlds place to any junior British member who finishes as first junior in the qualification series and completes the required number of qualification races (as above)

Qualification is via the World Qualifier series identified in the 2010 Fixture list (Brightlingsea, Largs, Weymouth, Nationals). The number of races to count is 50% of the total number of races sailed at these 4 venues + 1. E.g. if 4+4+4+8 = 20 races are sailed then 11 will count towards qualification.
